Crop Mapping using Synthetic Aperture Radar (SAR) and Optical Remote Sensing

Prof. dr. Krištof Oštir, Matej Račič

Sentinel Hub Credentials

In the practical work, we will be using Sentinel Hub, so you will need to create a login for it. Follow the steps below. If you already have one, go to step 5.

1. Go to <https://www.sentinel-hub.com>

2. In the top right corner, click SIGN IN.

ESA and Sinergise are sponsoring the credits for ARSET participants.

3. Click Sign Up.

4. Enter the requested information. After you have created an account, you will enter trial mode. You can use EO Browser and familiarize yourself with the dashboard.
5. Send the registered email from Sentinel Hub to matej.racic@fgg.uni-lj.si.
6. The service provider (Sentinel Hub) will monitor your account and upgrade it when it gets close to the default limits.
7. If it happens that your account becomes limited, you should send an e-mail to support@sentinel-hub.com and it will be dealt with immediately.

ESA and Sinergise are sponsoring the credits for ARSET participants.
